

REPLACEMENT PICNIC BENCH, SCHOOL GARDENS

Options:

- Recycled Plastic, assembled or semi-assembled. Will require installation by a contractor as too heavy for WMTC staff.
- Wooden, assembled or self-assembly. WMTC can install.

An inclusive bench will require an access path to be laid and a base under the table for a wheelchair.

A regular picnic bench can be placed on the grass, where the existing one is. The existing bench seats 12 people (L) 8' x (W) 28".

An inclusive picnic bench was installed in School Gardens on 24th March 2021.
