

RE : Replacement Gates .

Site : West Mersea Playground , Barfield Road , West Mersea , Colchester , Essex , CO5 8OX.

Dear Sir

After receipt of your requirements, we are pleased to offer you the following quotation for your kind consideration.

The following quotation is fully inclusive of all new materials, fixtures and fittings, and labour costs.

Due to ever increasing costs, this price can only be held for approx 7 days, and any order placed after this date may require re quoting.

We are happy to close off the area with barriers, but you may need to close the footpath adjacent to the gates whilst the works are being undertaken.

To undo railings, remove 2 x gate leaves from gate posts, and break out 4 x gate posts, and remove from site.

To supply and erect 2 x 1.200 meter high, galvanized and polyester powder coated yello , IAE Prosafe , single leaf , self closing gates .

Both to be right hand hung – open inwards as the existing .

Gate No. 1 : 1.390 meter wide inclusive of posts (exact size of gate to be supplied and fitted provided) .

Gate No. 2 : 1.345 meter wide inclusive of posts (is 45 mm larger than the gate to be supplied and fitted - we would need to alter the existing railings / railing post to make this fit) .

Once gates are fitted , then to re fit the existing railings to the gate posts .

The total price for this would be £2,825.00 + Vat

Works could commence approx 4 / 5 weeks from date of order (as advised by suppliers) .

We hope that you find this acceptable and we await your kind response .
